

Gail Code was born in Perth, Ontario and moved to the family farm in Drummond Ward more than forty years ago with her husband, Harold. They continue to operate the beef farm where they proudly raised their three children and now enjoy spending time with their six wonderful grandchildren.

Gail is an active member in the community having led numerous 4-H clubs, participated in various agricultural committees and having been a founding member of the family council at Drummond Central School. She and her daughter recently sold their successful restaurant in Perth which allowed Gail to devote more of her time to her family and council activities.

She currently represents Drummond North Elmsley on the following Boards and Committees:

County Council

Lanark County Agricultural Advisory Committee

Mississippi Valley Conservation Authority

Drummond North Elmsley, Tay Valley Fire Board.

Drummond North Elmsley Environmental Committee

Mississippi Lake Plan

200<sup>th</sup> Anniversary Committee

Gail has enjoyed representing the residents of Drummond Ward since January 2008 where she brings a common sense approach along with her commitment to family, community, environment and maintaining our rural way of life.
