NEED A DOCTOR?

Health Care Connect refers Ontarians who don't have a physician to a family health care provider who may be accepting new patients. Unattached patients can call or go online to the Health Care Connect website to register with the program. You will need a valid OHIP card and complete a health questionnaire to determine your need for family health care services. Priority is given to individuals who have greater health needs. Once registered, program participants are assigned to a Care Connector.
