

The Corporation of the
Township of Drummond/North Elmsley

2014-2019 MULTI-YEAR ACCESSIBILITY PLAN

2014 UPDATE

Barriers addressed in 2014

1. The Township's Procurement By-law was updated to incorporate accessibility design, criteria and features when procuring or acquiring goods, services and facilities, except where it is not practicable to do so; for example, when accessible goods, services or facilities are not available and provide an explanation, on request, as to why accessibility design, criteria and features were not practicable to incorporate into procurement.
2. Accessibility Standard Policy By-law 2014-041 was adopted by Council.
3. First 5-year Accessibility Plan was prepared and adopted by Council.
4. The Township's website compliant with WCAP 2.0 Level A.

Barriers Removed:

1. The following deficiencies were corrected at Ferguson's Falls Community Hall:
 - Sink was lowered
 - Titled mirror installed
 - Hand towel dispenser and soap dispenser were lowered
 - Replaced grab bar on the wall with proper width
 - Garbage cans moved out of path of travel.
