Moved By: Scott Cameron Seconded By: Laura Plummer

The Environmental Initiatives Committee approves the agenda. Carried.

#### 3.0 Introductions

All members introduced themselves.

## 4.0 EIC Terms of Reference & Past Environmental Accomplishments

Terms of Reference were reviewed, as well as a slide show of progress in the last committee term of upgrades to the ReUse Centre, recycling Promotion & Education and signage at the landfill gates. Principles of changes anticipated with Waste Free Ontario legislation, DNE change to dual stream recycling, and the local Pitch In clean-up campaign were also reviewed.

## 5.0 Potential EIC Projects for 2019

- Blue Box Recycling at the Landfill options, costs, operational considerations to implement
- Curbside Recycling services for ICI (industrial, commercial, institutional) properties
- Pitch-In Clean-up Campaign community engagement & expansion
- Review & revise Waste Bylaw (last one is 2008)
- ReUse/Landfill OPEN HOUSE 2019
- R2000+ Standards for building Potential for Township to promote building innovations, new technologies and program subsidies that result in savings for consumers and reduce carbon footprint (e.g. solar, Net Zero building.)
- Shoreline awareness program clean-up in conjunction with Pitch In roadside clean-ups?
