**Seconded By: Alex Clark**

**The Environmental Initiatives Committee approves the agenda. Carried.**

**3.0 Blue Box Recycling at Code Road Landfill**

Cathie to arrange with GIM to get some sort of bins or carts on site ASAP. Options for bins are limited to the design of trucks GIM has and what streams they are collecting curbside. Easiest solution appears to be 360 litre carts that GIM could pick up with trucks following Perth collection (check on this??)

More extensive consultation re: expanding curbside to ICI could include review of waste by-law, tender for curbside, check with Perth & Smiths Falls re: their waste levies.

Private roads – improved service will require service expansion in RFP. Harmonize services on each road. Turnarounds required for efficient service.

**4.0 Pitch In Campaign 2019 - Social media to promote**

**5.0 Waste Free Ontario –** Cathie reviewed the progress to date and decisions to be made by municipalities. DNE stands to gain approx. \$100,000. Decision to be made about what
