1.0 Approval of Minutes from April 16, 2019

Moved By: Laura Plummer

Seconded By: Alex Clark

The Environmental Initiatives Committee approves the Minutes. Carried.

2.0 Approval of Agenda:

Moved By: Cathie Green

Seconded By: Iris Doran

The Environmental Initiatives Committee approves the agenda. Carried.

3.0 Blue Box Recycling Update

- 6 recycling carts were purchased from the Town of Perth and placed at the landfill for use by residents and businesses. 3 of the carts were stolen at the end of August, along with e-waste and scrap metal. Theft was reported to the OPP and an upgrade to the security system is in the works.
- Options for front-loader bins will be explored in future. May need to speak to TOPPS as GIM does not have sufficient clients for this system to run a route.
- Beaumen's MRF closed in June 2019, requiring a contract amendment to reflect new arrangements with Cascade's MRF in Ottawa. DNE tender for curbside collection expected in early 2020 including harmonization of service on private roads.

4.0 Code Road Landfill UPDATE:

1. Open House on 10 August 2019 was a success.
2. ReUse Centre is operating well with new volunteers on site.
3. Alex Clark updated the committee on the 'proof of concept' for a solar heating appliance for the ReUse Centre. Alex plans to build a prototype; his business will donate the needed materials. The building has south by
